

2010年1月

2010年给我们带来很多好的消息。经济复苏了，就业机会也提高了。从综合度假村开幕到主办青奥会，这许许多多刺激经济的项目，将能够推动我国经济的发展。希望虎年是繁荣的一年。

在我们爬上经济的梯级时，我们也必须同时注意自己的行为，做一个有社会责任心的公民。我们要照顾周围人民的利益。让我们从家里开始，先检查我们家里四周或走廊所摆放的物品，是否会危害到他人的安全。如会，就请马上把它移走。如您无法确定所摆放的物品是否符合安全的准则，请向市镇理事会查询。

我们也必须确保家中的电线，电器，煤气炉或任何与火有关的器具的装置是合法与安全的。近期，有一个居民家中的神台着火，幸亏没有人受重伤。但下一次，我们可能就不会这么幸运了。随着新春佳节的来临，我们必须更加的谨慎。

接下来，我想与大家分享如何做一个有责任感的宠物主人。身为狗儿的主人，我了解养宠物的乐趣。但是，千万要记得清理狗儿的粪便，以免污染我们居住的环境。猫儿的主人，请不要在公共走廊任意喂食猫儿，因为这将招徕老鼠和乌鸦。让我们继续保持清新和干净的环境，共享花香。

我经常收到私人住宅区居民的反馈。我们必须保持优雅的态度，避免利用垃圾桶和其他的盛器来霸占停车位。敬请大家遵守“先到先得”的原则。鉴于有限的停车位，我吁请大家尽可能将您的汽车，停放在家里的停车位或院子里。这将有助缓解交通阻塞的现象。我们肯定能够为我们的下一代树立做个好邻居的榜样，并让他们了解睦邻和亲邻的重要性。最终，您的言行举止，可以左右您的产业的价值。

最后，让我们共同努力，在新的一年里，共同创造美好的开始。每一个人都应负起照顾环境的责任，共同维持家园的安全与清洁。

在来临的1月16日，敬请大家莅临卡迪广场，出席社区艺术在卡迪的活动，支持我们自己的居民所创造的作品，并共同观赏亮丽璀璨的新春灯饰的亮灯节目。

祝您新年进步，万事如意。

## January 2010

Year 2010 brings us many good tidings. The economy is improving and employment opportunities are on the rise. There are many attractions in store to boost our economy from the opening of the Integrated Resorts to hosting of the Youth Olympic Games. These will give a significant boost to our economy and hopefully the Year of the Tiger will be a prosperous one.

Just as we climb up the economic ladder, we too need to move to the next level in how we conduct ourselves to become more socially responsible residents. We need to look after the interests of the people around us. Let's begin with our homes. Look at what we place on the ledge in our homes or along the corridors. Are they potentially a "killer litter" threat? Remove them immediately, if so. Call the Town Council if you are unsure whether they comply with the guidelines.

Also, we need to ensure that electrical fittings or naked flames in our homes are properly installed. Recently, a religious altar belonging to one of our residents caught fire. Fortunately, no one was seriously hurt, but we may not be so lucky the next time. With the Chinese New Year festive season round the corner, we must be even more vigilant. Surely we don't want a fiery start to the year.

Next, I would like to touch on responsible pet ownership. As a dog owner myself, I understand the joys of a pet owner. However, do not forget to clean up your dog's poo and not soil the estate's cleanliness. Cat owners should also not feed them indiscriminately along public corridors as this will attract the rodents as well as the crows. Let's continue to keep our environment fresh and enjoy the fragrance from the flowers.

Lastly, I constantly receive feedback from our residents in the private estates. We should be graceful and not use bins and other receptacles to "book" parking lots in the estates. Observe the principle of "first come first served". Given that there are limited parking lots, park your cars in the car porch wherever possible will help to ease the road congestions. Surely we can set better examples for our young children on the meaning of good neighbourliness. Ultimately, how you conduct yourself may well impact the value of your estate.

Hence, let's us make it a good start to 2010. Keep our estates safe and clean, and all it takes is for each of us to be more responsible for our environment. Come and join us at Clap@Khatib on January 16, Saturday at Khatib Plaza from 6 pm to 9pm to lend your support for artworks created by our very own residents, which will be followed by a visually-stimulating Chinese New Year light-up. I look forward to meeting all of you. Wishing you a Happy and Prosperous Chinese New Year!
