

November 2011

Dear Residents

November promises to be an exciting month especially for those who love sports. You would have just seen the excitement generated by our table tennis players at the recently concluded Volkswagen 2011 Women's World Cup. Our athletes show much promise. So the next interesting event will be the 26th Southeast Asian Games (SEA). It will be held in Jakarta and Palembang in Indonesia from Nov 11-22. Two weeks later the 6th ASEAN ParaGames for physically disabled athletes will be held at Surakarta and Central Java.

On home issues, I am pleased to share with you that after many meetings with the Land Transport Authority (LTA), the LTA has agreed to re-route Bus 811 from Oct 23 to better serve our residents. The service now runs through Yishun Ring Road to serve residents in 700 series who want to go to CC and NTUC.

Also, the ERP evening hours for north bound traffic on the CTE now operates till 8pm instead of 10.30pm as of Oct 19. Hence, residents who wish to escape the ERP may now go home earlier. Again, raising this issue in Parliament has bore fruit.

While talking about transport, I would like to invite all our residents to join our Hijrah Nite Leisure Cycling on Nov 25. It starts at 7.30pm and ends around 11.30pm. Bring your family members and friends for an evening of togetherness. Please register for this event at Nee Soon South CC. I look forward to meeting you!

2011 年 11 月

亲爱的居民，

对于热爱运动的朋友而言，今年的 11 月无疑是个充满刺激的月份。大家或许已经见识了我国乒乓国手最近在 2011 年福士伟根世界杯女子乒乓球赛所引发的激昂情绪。我们的运动员展现了无比希望。接下来第 26 届东南亚运动会将会是另一场大家津津乐道的赛事。这项运动会将于 11 月 11 日至 22 日分别在印度尼西亚的雅加达和巨港举行。第 6 届亚细安残疾人士运动会，随之在东南亚运动会结束后两个星期，分别在苏拉卡尔塔和中爪哇举行。

话说义顺南，经过多次与陆路交通管理局(陆交局)进行对话、磋商，陆交局终于同意，从 10 月 23 日起，调整 811 巴士路线。这样可以更好地为居民服务。这条路线川行于义顺环路与 700 系列组屋之间，方便居民前往义顺南民众俱乐部与职总平价合作社。

打从 10 月 19 日起，中央快速公路北往电子收费闸门傍晚的终止收费时间，已经由原定的 10 点 30 分提早到 8 点。故此，有意避开电子闸门收费而迟归的驾车人士，如今可以提早回家了。这也再次证明，在国会上提出这个问题达到了实质的成果。

谈论交通课题的同时，我谨此诚意地邀请全体居民，在 11 月 25 日傍晚前来参加为您主办的夜间骑脚车逍遥游。这项活动从傍晚 7 点 30 分开始，直到晚上 11 点 30 分结束。欢迎您携带家人与大家一起度过一个美好的夜晚。

请前往义顺南民众俱乐部报名参加。我期待与你们见面！
