Student Care Centre

Daybreak Student Care Centre

is one of the service hubs of Methodist Welfare Services, which provides after school care service for primary school children between 7 – 12 years.

Our Services

- ~ Provide children with supervision without which many might be exposed to and engage in more anti-social and destructive behaviors.
- ~ Provide enriching experiences that broaden children's perspectives and improve their socialization.
- ~ Help to improve the academic achievement of students who are not achieving as well as they need to during regular school hours.

Our Programmes

From Monday to Friday, we carry out different programmes such as supervised study, story telling, art & craft, outdoor activities, * music & movement and computer literacy to cater for different learning needs.

*** Harmonica Band**

A 10-session workshop organized by Anderson Junior College Harmonica Band. The objective of the activity is to instill love for music.

*** Line dancing**

This allows children to be part of the big group and learning to appreciate music and dance movements together.

Additional Programmes & Activities

~ **Character First Workshop**

To develop the children's character through an education series that focus on morals and values.

~ **Coaching Class**

An encouraging environment is provided for better learning according to individual's pace.

~ **Badminton Clinic**

It is easy to play for the beginner; offers excellent hand-eye coordination skill; an ideal cardiovascular exercise.

~ **Soccer Clinic**

No pressure, just lots of fun. It tailors to fit their ages with themes of character development and sportsmanship.
