

CCC Chinese New Year Dinner

Some 1800 residents from different races attended the Chinese New Year dinner organised by Nee Soon South Citizens' Consultative Committee (CCC) on 16th February 2019 at MPC@Khatib. It was an auspicious occasion to celebrate and welcome the Chinese new year. They raised their toasts to wish each other a year of good health, peace and joy. It was also an excellent platform for residents especially families to gather for a night of social bonding; accompanied with songs entertainment from well-known artistes. Nee Soon South CCC looks forward to engaging the residents again next year.
