

Nee Soon South Countdown 2017

Nee Soon South has another successful Countdown event on 31 December 2016. It has garnered crowds that filled the hard-court and field near Block 838, Yishun Street 81.

The event has brought residents out from their homes to share a wonderful night counting down to a brand new 2017.

The annual event is very well-received annually by residents.
It is attended by an estimated crowd of 12000 residents.

Other than excellent performance for residents, many booths are setup to entertain our participants and allowing them to join various interest groups.

“Thank you Dr Lee and all volunteers for staging such a fantastic countdown. With blessings from above, we have a fine weather which makes the fire work so beautiful this year.

Thank you all once again and Happy New Year to all of you.”
