

Golf with Residents

On Sunday 10th July 2016, more than 130 residents turn up for the annual signature golf event held at the Palm Villa Golf and Country Resort in Johor. It took more than 5 months to plan and organize this event. Organizing Chairman Mr Henry Fung, took it upon himself to ensure that even minor details of the event were carefully thought out.

More than 30 golfers left with wonderful prizes. The event ended with a sumptuous meal at a nearby restaurant. They even had durians to make the event even more memorable!

Golfers having a photo with MP Dr Lee Bee Wah at the event.
