Time : 6.30pm – 9.30pm

Venue : Nee Soon South CC MPH

Registration is free!
All are welcome

"Fuzionball, created in 2006 by a Singaporean, is played in many Community Sports Clubs. A made-in-Singapore racquet game - which looks like tennis at first, but is played on a badminton court using a bouncy foam ball - is becoming popular here. Fuzionball is catching on as it is suitable for both young and old. It is less strenuous yet mentally stimulating. The game is ideal for family bonding and social interaction."
