

Project Light 2019

Project Light is an annual initiative by Nee Soon South IAEC which aims to spread festive joy during the Deepavali season by providing goodie bags with essential household items and vouchers for the low-income Indian residents within Nee Soon South district. As part of the preparation process, 13 grassroots leaders came together to pack the goodie bag the day before the distribution event. On the distribution day, 74 beneficiaries attended the event and received their goodie bags. The event was also hosted by Grassroots Adviser, Er. Dr. Lee Bee Wah who distributed the goodie bags and celebrated the Deepavali festivities with the residents.

Our volunteers packing the goodie bags

Items packed and ready for distribution

Happy residents receiving their vouchers from Adviser, Er. Dr. Lee Bee Wah.
